

THIS WEEK AT ASCARC

VOLUME 10, ISSUE 50

FRIDAY, JULY 19, 2024

- Today marks the end of our 2nd Session of Summer Experience. What a GREAT group of campers we had these past 2 weeks. They braved the heat and humidity and had a blast. Below are some great shots of these last 2 weeks. As always, THANK YOU to the businesses that hosted us, THANK YOU to the families that trusted us and were so kind, and THANK YOU to our amazing staff!

- These last few weeks have been all about how to beat the heat! Harvest Home Foods had an ice cream party at the Sparta Shack ice cream stand on Route 15. It was the perfect day for ice cream and everyone really enjoyed themselves!

- Just when you thought we were all about ice cream.....today was a ton of fun at the Eickmann Center where they had a Donut Social! I got a bunch of pictures of everyone having fun but realized I didn't get a picture of the actual homemade donuts!! Trust me, they were decorated beautifully and were delicious! As always, the Staff at Eickmann were dressed to impress in their matching, stylish shirts! Also, a special shout out goes to Amanda Tierney (she's wearing the "Amanda" shirt) for receiving a "Key to Success" Award this past week. Congratulations Amanda!
